Weight	54.3g

## Connection Guide

1. **Wired Mode:** Plug the USB cable into the computer to start using the mouse.
2. **2.4G Mode:** Plug the receiver into the computer, switch the mouse to 2.4G mode, and it will be ready to use.
3. **Bluetooth (BT) Mode:** Switch the mouse to BT mode, then long-press the DPI button until the blue LED light flashes rapidly. Search for "PDX324" on your device and connect.

## Sleep Mode

The mouse enters sleep mode after 1 minute of inactivity. Move the mouse or press a button to wake it up.

**Note:** When the computer enters sleep mode, the mouse also enters sleep mode. Press a button to wake both the mouse and the computer simultaneously.

## Charging Guide

1. When the DPI LED light flashes red, the battery is low.
2. Use a cable to charge the mouse. The red light remains on while charging. Charging time is approximately 4 hours.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
