## Product Overview

The Green Lion RoadVolt Car Charger is a high-performance car charger featuring both PD (30W) and QC (30W) outputs, offering a total output of 60W for fast and efficient charging. It includes a Type-C and USB-A port, ensuring compatibility with various devices. Its compact design allows for easy storage and convenient use, while the charging protection feature ensures safety during operation. The charger is also equipped with a USB-C to USB-C cable for added convenience.

## Specifications

Model No	GL-CC14
Material	PC
Input	12V-24V
USB-C Output	5V/3A, 9V/3A, 12V/2.5A (PD30W)
USB-A Output	5V/3A, 9V/3A, 12V/2.5A (QC30W)
Total Output	60W Max
USB-C to USB-C Cable	PVC 1m, 20V/3A (60W)
Product Weight	21.6 g
Product Dimensions	27.4*27.4*58.6 mm

## Product Features

- 1. Dual Output Ports:** Includes PD 30W and QC 30W outputs for fast charging.
- 2. Compact Design:** Offers a sleek, space-saving design that fits easily into your car.
- 3. Type-C Port & USB-A Port:** Provides versatility for charging multiple devices.
- 4. Charging Protection:** Built-in safety features to prevent overcharging and ensure secure power delivery.
- 5. USB-C to USB-C Cable Included:** Comes with a 1-meter cable for added convenience.

## Safety Precautions

**Avoid Overcharging:** Always unplug the device once it reaches full charge to prevent overheating or potential battery damage.

**Use Compatible Chargers:** Ensure the charger is compatible with your device. Using the wrong charger could risk overheating, electrical damage, or reduced battery life.

**Keep Away from Water:** Never use or store your charging device near water to avoid electric shock or short circuits.

**Monitor Device Temperature:** If your device becomes too hot during charging, disconnect it immediately. Extended overheating can harm both the device and battery health.

**Avoid Physical Damage:** Protect the charging cables and device from wear or physical stress to avoid short circuits or damaged connectors. **Check for Voltage Fluctuations:** Always charge in environments with stable power sources. Voltage spikes could cause irreversible damage to your device.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
