Foldable DUO Pump

1. Fix the inlet hose, and guide the hose into the gallon bottle.
2. Set the unit onto the gallon bottle.
3. Pop up the waterspout, and it's ready for use.

Operation

1. Please CHARGE to full capacity before first use.
2. The indicator light turns red during charging and turns green or off when the charge is complete.
3. Press the START button for continuous pumping.
4. Press the 0.3L or 1.0L button to select the desired amount of water.
5. When the product is working, press any button to stop.

Maintenance & Storage

1. Silicone Hose & SS spout can be boiled for a few minutes before first use, and after every 2 months, for better hygiene.
2. It's suggested that the Silicone Hose should be replaced after 6 months of use to avoid any potential hygiene issues.
3. Make sure that there is NO water residue in the unit before any long-time storage.

Disposal

Do not dispose of discarded electrical appliances as unclassified urban waste. They should be handed over to an officially designated recycling center, which is beneficial for environmental protection.
