Installation Instructions

1. Choose a flat area on the vehicle's dashboard and clean the surface to remove any dust or debris.

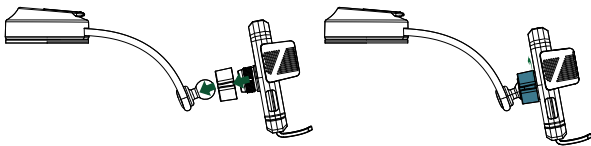

2. Open the suction lock and remove the protective film from the bottom. Place the product on the cleaned surface and press the suction lock to ensure a firm hold.

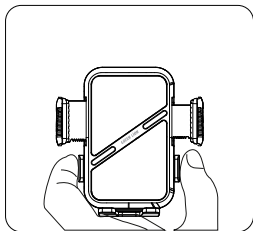

Note: Wait 24 hours before using the product to allow full adhesion.

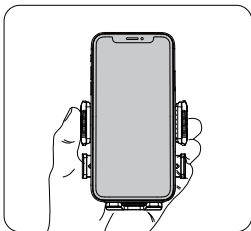

3. Attach the mount cradle to the ball joint, then tighten the cradle knob to secure it in place.

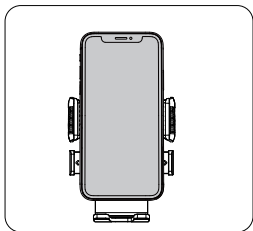

4. Press the quick-release button, and the clamp arms will automatically open.

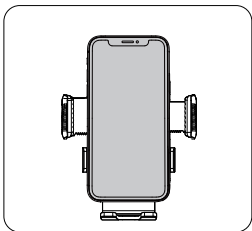

5. Place your phone on the mount and press the clamp arms to secure it firmly.

6. For larger-sized phones, pull down the foot to ensure a secure fit.

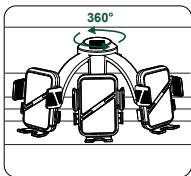

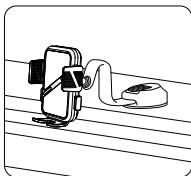

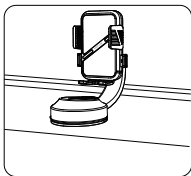

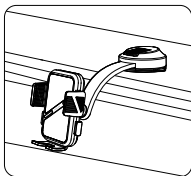

7. Press the quick-release button to remove the mobile phone from the holder.

Mount Adjustment Guide

The mount can be bent to any angle as shown, allowing you to adjust it according to your specific usage scenario.

Safety Instructions

1. Install the car mount in a suitable location before starting the driving navigation. Do not operate or adjust the mount while driving.
2. Avoid installing the car mount in a position that may interfere with airbags or driving.
3. Keep the product out of reach of children.

Note: Please read these instructions carefully and store them properly before using the product.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
