Model No.	GL-SP36
Material	ABS Plastic + Fabric
Charging Input	5V/2A
USB-C Cable Output	5V/2A
Lightning Cable Output	5V/2A
Frequency Response Range	30Hz-20kHz
BT Version	V5.3
Transmission Distance	10M

Speakers	52mm/4Ω/8W×2
Battery Capacity	10000mAh
Charging Port	Type-C
Charging Time	9 hours
Play Time	7-10 hours
Input Ports	USB, TF Card
Product Weight	785g
Product Dimensions	168 × 102 × 65 mm

Product Features

a. Powerful Sound Output (52mm Speakers, 8W×2 Power): The Green Lion Wave 20 features 52mm speakers with an 8W output, providing clear and rich sound for an enhanced listening experience. It delivers impressive volume and sound quality for indoor and outdoor use.

b. 10000mAh Battery Capacity: With a 10000mAh battery, this speaker offers ample power to keep your music playing for hours. The battery capacity ensures that you can enjoy continuous music playback without worrying about frequent recharging.

c. Bluetooth 5.3 Connectivity: Equipped with Bluetooth 5.3, this speaker provides a stable and seamless connection to your devices. It allows easy pairing with smartphones, tablets, and other Bluetooth-enabled devices up to a 10-meter range.

d. Radio Function: The built-in radio function lets you enjoy your favorite radio stations anytime, offering an additional source of

entertainment on top of your music playlists.

e. Multiple Input Ports (USB, TF Card): This speaker supports multiple input options, including a USB port and TF card slot. You can easily play music from your USB flash drive or TF card, giving you flexibility in how you play your music.

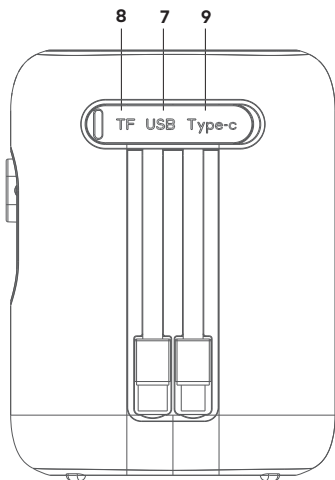

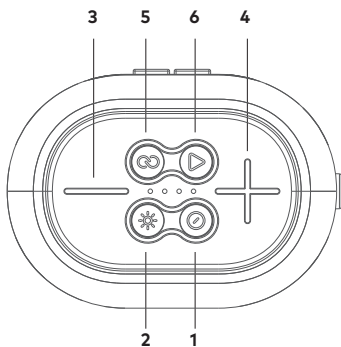

f. RGB Lighting: The built-in RGB lighting adds a vibrant visual element to your listening experience, enhancing the atmosphere during parties or gatherings. The light patterns can sync with your music, creating an immersive ambiance.

g. Portable and Compact Design (785g Weight, 168×102×65 mm Size): With a weight of just 785g and compact dimensions, this speaker is easy to carry and store. Its lightweight design makes it an ideal choice for on-the-go music enjoyment.

h. Hands-Free Calling: The speaker includes a hands-free calling function, allowing you to answer calls directly through the speaker. This feature is useful when you're occupied with other tasks or want to talk without picking up your phone.
