Product Overview

The Green Lion Treks Portable Speaker is designed for those who value clear sound and convenience in a compact, lightweight form. With TWS functionality and a remote shutter, it provides easy control over your music while enhancing the listening experience. Its aesthetic design is perfect for on-the-go use, making it a travel-friendly companion. The speaker offers USB-C charging, ensuring quick power-ups, and features multiple input options, including Bluetooth, USB, TF card, and FM radio. Whether you're enjoying music or capturing moments, the Treks Portable Speaker is the smart choice for those who want versatility and performance in a stylish package.

Speaker	3Ω 5W*50,1mm
Input Ports	USB, TF
Charging Port	USB-C
Charging Time	2 Hrs
Playtime	2.5 Hrs
Product Weight	200 g
Product Dimensions	84*46*84 mm

Bluetooth Pairing

1. Turn on the Bluetooth on your phone.
2. Turn on the Speaker and search for "GL-SP32" among the active devices.
3. Confirm the pairing on your phone to finalize it.

Button Functions

1. Connect your phone via Bluetooth and press to take a photo; double-click to activate TWS connection.
2. Press once to skip to the next track, and double-click to decrease the volume.
3. Press once to go to the previous track, and double-click to increase the volume.
4. Long-press to power on or off, and short-press to switch between modes.

Safety Precautions

1. Do not expose the speaker to water or moisture to prevent damage to the internal components. Please keep it in a dry environment during use and storage.
2. Avoid placing the speaker near heat sources or direct sunlight for prolonged periods, as this may damage the battery and internal circuits.
3. Use only the provided USB-C cable for charging the speaker. Overcharging or using an incompatible charger can cause overheating or damage to the battery.
4. Always handle the speaker gently and avoid dropping it, as this can cause internal damage or affect its performance.
5. To prevent hearing damage, avoid listening to the speaker at high volumes for extended periods. It is advisable to keep the volume at a moderate level.
6. When not in use for an extended period, turn off the speaker to conserve battery life and prevent unnecessary wear.
7. Store the speaker in a cool, dry place when it is not being used for long periods. Avoid extreme temperatures that may affect battery life and performance.
8. If you notice any swelling, leakage, or unusual behavior in the battery, stop using the speaker immediately and consult a professional. Do not attempt to repair or open the speaker yourself.
9. Keep the speaker out of the reach of young children to prevent accidents or misuse. The speaker contains small parts that can be hazardous if swallowed.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
